## How to take care of CM3 Sofa

Thank you for your purchase!

Please read the following care instructions for products manufactured by Askia.

### GENERAL GUIDELINES

After the delivery, it is very important to follow the next guidelines in order to prolong and improve your sofa's life. CM3 Sofa is upholstered with a high quality wool carefully selected by us for its important properties like color fastness to light, fastness to rubbing, fireproof properties, imo-med certification and abrasion resistance.

### Daily Maintenance

We highly recommend you to clean CM3 Sofa regularly, to keep the fabric fresh and prevent any wear down effects that will gradually reduce the material's qualities over time.

For removing non greasy stains, please clean the sofa with a soft, lint-free cloth soaked just a bit in warm water.

For removing liquid stains, act quickly to reduce any excess liquid or residues, then clean with a soft, absorbent cloth.

For removing greasy stains, we recommend you to use a soft cloth dabbed in detergent, but please test the detergent first on a smaller, discreet area to make sure it doesn't have any unwanted effects on the fabric.

### Long Term General Maintenance

Wipe the sofa with a dry, soft cloth or vacuum with a very soft brush on a weekly basis.

Vacuum frequently, ideally every week, at half power where appropriate or clean with a soft brush.
