

# SIDE Screen

Design by ARS

The SIDE SCREENS were made with the intention of constantly being rearranged in many ways and serving multiple purposes.

They create the much needed feeling of privacy, even if you share your desk with someone else.

## DAILY MAINTENANCE

Use a damp cloth to clean the entire surface of the divider. Use a microfiber cloth when dry dusting. Use a light touch and do not rub the cloth forcibly over the surface. Always clean spills and water off with a clean dry cloth or paper towel.

## LONG TERM MAINTENANCE

Avoid the use of scourers or bleaches. Use a humidifier. Use a hygrometer. Always move it with care.

## SHIPPING
