

STAND - ALONE DIVIDER

Designed by ARS

The Stand - Alone Dividers Collection defines and separates spaces without the need for permanent walls or invasive installation.

Available in multiple heights, these freestanding PET panels deliver both sound absorption and diffusion - making them a versatile solution for dynamic, ever- changing enviornments.

CARE INSTRUCTIONS

Vacuum to remove dust.
PET Felt is easy to clean and maintain. Most stains can be removed with water, then the material can be patted dry with a clean cloth.
Never rub the PET Felt, as it can damage the material.
Polyester carpet and fabric cleaners can be used.
Always test an inconspicuous area first.
